

Establishing a Monthly EFT (Electronic Funds Transfer)

Contact the Director of Annual Giving with any questions. This authorization to draft your account on or about the 10th of each month will remain in effect until the Auburn Foundation receives written notification of termination of this agreement. This transaction will appear on your monthly bank statement with the first draft occurring about 30 – 45 days after this authorization has been received.

I authorize the Auburn Fund of the Auburn University Foundation to initiate debit entries to the account indicated below and authorize the financial institution named below to debit the same to such account.
